### **NEWS RELEASE**

June 7, 2021

We are pleased and honoured to announce that Her Royal Highness Grand-Duchess Maria Teresa has agreed to grant our organisation *Healing of Memories Luxembourg* her High Patronage.

We are all particularly touched by this news, given the admirable work which the Grand-Duchess does around the world in support of people carrying deep wounds and affected by trauma.

See the following video on HRH the Grand-Duchess's commitment to this work:
